## EMEA – Fibre Inspection and Test Product Selection Guide

Industry-leading tools and products for essential fibre handling

# Automated Inspection and Analysis

## P5000 Digital Probe and FiberChek2™ Software

Laptop not included.

### Automated Fibre Inspection and Analysis

- Automatically captures and analyzes the fibre image and provides a PASS/FAIL result according to the user-configured criteria setting
- Pre-configured to comply with all International Electrotechnical Commission (IEC) acceptance criteria for single-mode and multimode fibres (reference IEC-61300-3-35)
- Enables standardization of inspection and analysis procedures throughout fibre network
- Removes human subjectivity from fibre inspection and analysis to ensure consistent, quality results
- Highly configurable for user and application-specific standards and requirements
- Easy, one-hand operation with QuickCapture™ button that instantly captures and analyzes fibre image
- Produces clear, detailed image of fibre end face with high-resolution 5 megapixel camera
- Archives results and images as HTML and/or PDF files, and generates integrated reports
- Plugs directly into PC/laptop via USB 2.0

**Note:** The P5000 digital probe is NOT compatible with T-BERD/MTS 6000 and 8000 platforms, but IS compatible with the T-BERD/MTS 4000 (for image capture and save only).

### DESCRIPTION / CONTENTS

#### FBP-SD01

#### P5000 Digital Probe and FiberChek2 Advanced Kit

- Dual-magnification** (200/400X) P5000 digital probe microscope with USB 2.0 plug
- FiberChek2 automated fibre inspection and analysis software
- Interchangeable FBPT inspection tips (4) in tip case:
  - SC-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Carrying case

#### FBP-P5000

#### P5000 Digital Probe and FiberChek2 Basic Kit

- Dual-magnification** (200/400X) P5000 digital probe microscope with USB 2.0 plug
- FiberChek2 automated fibre inspection and analysis software
- Interchangeable FBPT inspection tip (1) in tip case:
  - Universal 2.5 mm PC patch cord
- Carrying case

FiberChek2 Analysis Summary Report

# Integrated Inspection and Test

## FBP Probe and HP3-60-P4 System

### Inspect and Test Fibre with One Device

- **Integrated power meter and patch cord microscope (PCM)** - also available without PCM
- Promotes best practices in fibre handling by combining inspection and testing into one device
- Enables easy inspection of the bulkhead with the probe, and the patch cord with the integrated PCM
- Integrated functions and features eliminate the need to switch from one device to another
- Significantly reduces total inspection and test time for superior workflow efficiency
- Reduces the number of tools and accessories you carry and manage

### HP3-60-P4 Display with Integrated Patch Cord Microscope (PCM)

- 1.8-inch TFT LCD for viewing clear, detailed image of fibre end face
- Dedicated patch cord inspection with the integrated PCM to quickly and easily inspect both sides of fibre interconnect
- A/B Switch instantly toggles patch cord (PCM) and bulkhead (probe) fibre views
- Hanging hook for hands-free operation

### Integrated Power Meter

- Measures optical power at 850, 1300, 1310, 1490, and 1550 nm
- For all single-mode and multimode applications, such as LAN, TELECOM, CATV, and DWDM testing
- Use with JDSU light source to detect modulation frequency and identify individual fibres
- Three-year calibration period
- Universal Push-Pull adapters for 2.5 mm and 1.25 mm connectors

### DESCRIPTION / CONTENTS

**FIT-S105-EU**

**FBP Probe (200/400X) / HP3-60-P4 System with PCM (400X)**

**FIT-S105-UK**

- Dual-magnification (200/400X) FBP video probe microscope
- Handheld inspect and test display system with **integrated power meter and 400X PCM**
- Interchangeable FBPT inspection tips (2):
  - SC-PC bulkhead
  - LC-PC bulkhead
- FMAE adapters (2) for PCM:
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Plastic case for inspection tips and adapters
- Carrying case

**FIT-S105-EU-C**

**FBP Probe (200/400X) / HP3-60-P4 with PCM (400X) + Cleaning**

**FIT-S105-UK-C**

- **All FIT-S105 contents listed above**
- IBC cleaner for 2.5 mm bulkheads and patch cords
- IBC cleaner for 1.25 mm bulkheads and patch cords
- Cleaning solvent and lint-free wipes

**EU = EU power supply; UK = UK power supply**

## FBP Probe Kits

### Dual-mag 200/400X Professional-series Video Probe Scopes

- Dual-magnification (200/400X) FBP probe with ergonomic design for easy one-hand operation
- A complete comprehensive selection of precision stainless-steel inspection tips for inspection every connector and application
- Extensive selection of handheld displays and USB analog-to-digital converter for use with T-BERD/MTS platforms or PC/laptop

#### DESCRIPTION / CONTENTS

##### FBP Probe (200/400X) / HD3-P4 with PCM (400X)

- **Dual-magnification** (200/400X) FBP video probe microscope
- Handheld HD3 display with 1.8-in LCD and **integrated 400X PCM**
- Interchangeable FBPT inspection tips (2):
  - SC-PC bulkhead
  - LC-PC bulkhead
- FMAE adapters (2) for PCM:
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Plastic case for inspection tips and adapters
- Carrying case

FBP-SM05-EU-C

FBP-SM05-UK-C

##### FBP Probe (200/400X) / HD3-P4 with PCM (400X) + Cleaning

- **All FBP-SM05 contents listed above**
- IBC cleaner for 2.5 mm bulkheads and patch cords
- IBC cleaner for 1.25 mm bulkheads and patch cords
- Cleaning solvent and lint-free wipes

FBP-SM03-EU

FBP-SM03-UK

##### FBP Probe (200/400X) / HD3 Display

- **Dual-magnification** (200/400X) FBP video probe microscope
- Handheld HD3 display with 1.8-in LCD
- Interchangeable FBPT inspection tips (4) in tip case:
  - SC-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Carrying case

FBP-SM03-EU-C

FBP-SM03-UK-C

##### FBP Probe (200/400X) / HD3 Display + Cleaning

- **All FBP-SM03 contents listed above**
- IBC cleaner for 2.5 mm bulkheads and patch cords
- IBC cleaner for 1.25 mm bulkheads and patch cords
- Cleaning solvent and lint-free wipes

## DESCRIPTION / CONTENTS

**FBP-SE05-EU**

### FBP Probe (200/400X) / HD2 Display with PCM (200X)

- **Dual-magnification** (200/400X) FBP video probe microscope
- Handheld HD2 display with 3.5-in LCD and **integrated 200X PCM**
- Interchangeable FBPT inspection tips (2):
  - SC-PC bulkhead
  - LC-PC bulkhead
- FMAE adapters (2) for PCM:
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Plastic case for inspection tips and adapters
- Carrying case

**FBP-SE03-EU**

### FBP Probe (200/400X) / HD2 Display

- **Dual-magnification** (200/400X) FBP video probe microscope
- Handheld HD2 display with 3.5-in LCD
- Interchangeable FBPT inspection tips (4) in tip case:
  - SC-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Carrying case

**FBP-S003-EU**

### FBP Probe (200/400X) / HD1 Display

- **Dual-magnification** (200/400X) FBP video probe microscope
- Handheld HD1 display with 3.5-in LCD
- Interchangeable FBPT inspection tips (4) in tip case:
  - SC-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 1.25 mm PC patch cord
- Carrying case

**FBP-MTS-001**

### FBP Probe (200/400X) / USB 1.1 Converter

#### Upgrade Your T-BERD/MTS 6000 or 8000 with Fibre Inspection

- **Dual-magnification** (200/400X) FBP video probe microscope with QuickCapture instant image capture button
- USB 1.1 analog-to-digital converter (connects to T-BERD/MTS and FST test platforms or PC/laptop)
- Interchangeable FBPT inspection tips (7) in tip case:
  - SC-PC bulkhead
  - SC-APC bulkhead
  - FC-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 2.5 mm APC patch cord
  - Universal 1.25 mm PC patch cord
- Carrying case

Mainframe not included.

**Note:** Use FBPP-DPAC1 (6-pin to 4-pin converter) to connect the probe to handheld displays.

## FBE Probe Kits

### Single-mag 400 or 200X Economy-series Video Probe Scopes

- Single-magnification 400 or 200X FBE probe with ergonomic design for easy one-hand operation
- Wide selection of precision stainless-steel inspection tips for inspecting various connector types
- Hardwired to HD-series displays

#### PRODUCT IMAGE

- IBC cleaner for 2.5 mm bulkheads and patch cords
- IBC cleaner for 1.25 mm bulkheads and patch cords
- Cleaning solvent and lint-free wipes

##### FBE-SM1-EU-C

##### FBE Probe (200X) / HD3 Display + Cleaning

# Advanced Cleaning System

## CleanBlast™ – Portable System with FBP Probe

### Fast, Controlled, and Effective Fibre End Face Cleaning

- Uses a precise non-contact air-solvent-air mixture to blast and remove contamination from fibre surface with near 100% effectiveness
- Cleans both bulkhead and patch cord sides of fibre interconnect
- Eliminates user sensitivity and cleaning error
- Removes loose debris rather than spreading or smearing
- Cleans faster, more effectively, and is less cost-per-clean than conventional methods
- Inspect both bulkhead and patch cord ends with dual-magnification (200/400X) FBP probe microscope and 6.4-inch TFT LCD

#### PRODUCT IMAGE

#### JDSU PART NO.

**FCL-P1005-EU**

#### DESCRIPTION / CONTENTS

##### Portable CleanBlast with Inspection

- Portable CleanBlast system with integrated compressor and cleaning handset with 6-ft umbilical
- **Dual-magnification** (200/400X) FBP video probe microscope
- 6.4-in TFT LCD display
- Interchangeable FBPT inspection tips (8) in tip case:
  - SC-PC bulkhead
  - SC-APC bulkhead
  - FC-PC bulkhead
  - ST-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 2.5 mm APC patch cord
  - Universal 1.25 mm PC patch cord
- Interchangeable FCLT cleaning tips and adapters (4) in tip case:
  - Universal 2.5 mm bulkhead
  - Universal 1.25 mm bulkhead
  - Universal 2.5 mm mating adapter for patch cords
  - Universal 1.25 mm mating adapter for patch cords
- Pelican™ (robust, hard-sided) carrying case

**FCL-P1100-EU**

**FCL-P1100-UK**

##### Portable CleanBlast

- Portable CleanBlast system with integrated compressor and cleaning handset with 6-ft umbilical
- USB 1.1 output
- FCLT cleaning tip:
  - Universal 2.5 mm bulkhead
- Pelican™ (robust, hard-sided) carrying case

### DESCRIPTION / CONTENTS

FIT-S005-EU-NT

**FBP Probe (200/400X) / HD3 Display Cleaning and Test Kit**

**Service Provider - PRO (no test gear)**

Combine and configure the FIT-S005-NT kit below with optical test devices (up to 4 PocketClass or 2 SmartClass devices) and patch cords (test leads) to create your own custom kit of test gear.

- Dual-magnification (200/400X) FBP video probe microscope
- HD3 handheld display with 1.8-in LCD
- Interchangeable FBPT inspection tips (8) in tip case:
  - SC-PC bulkhead
  - SC-APC bulkhead
  - FC-PC bulkhead
  - ST-PC bulkhead
  - LC-PC bulkhead
  - Universal 2.5 mm PC patch cord
  - Universal 2.5 mm APC patch cord
  - Universal 1.25 mm PC patch cord
- IBC cleaner for 2.5 mm bulkheads and patch cords
- IBC cleaner for 1.25 mm bulkheads and patch cords
- Cleaning solvent and lint-free wipes
- Visual fault locator (FFL-100)
- Dual-sided carrying case

## Fibre Field Cleaning Consumables Kit

### PRODUCT IMAGE

### JDSU PART NO.

FCR-CLN-01

### DESCRIPTION / CONTENTS

#### Fibre Field Cleaning Consumables Kit

- **2-pack** – 2.5 mm bulkhead and patch cord IBC cleaning tools
  - **2-pack** – 1.25 mm bulkhead and patch cord IBC cleaning tools
  - 1 canister (400 pumps) of cleaning solvent
  - 1 bag of lint-free cleaning wipes (100 wipes)
  - Carrying case
- Complete kit contains all necessary cleaning consumables for cleaning connector end faces
  - Provides refill solution for the consumables used in the **Fibre Inspection and Cleaning** kits
  - Each bulkhead/patch cord cleaning tools capable of over 500 cleaning cycles
  - Includes a canister of solvent and 100 lint-free wipes (*for removal of stubborn forms of debris in Wet-to-Dry cleaning*)
  - Includes an easy-to-follow operation guide with recommended procedures for cleaning and inspection

## Fibre Cleaning Consumables

**10-pack** – IBC cleaner for 2.5 mm bulkhead and patch cord  
**Single** – IBC cleaner for 2.5 mm bulkhead and patch cord

FCB-IBC12-10  
FCB-IBC12

**10-pack** – IBC cleaner for 1.25 mm bulkhead and patch cord  
**Single** – IBC cleaner for 1.25 mm bulkhead and patch cord

FCB-RBC-10

**10-pack** – IBC cleaner for MPO/MTP bulkhead and patch cord

FCR-001  
FCR-002

CleanChek™ reel cleaner for patch cords (*male connectors*)  
Box of 6 replacement reels for CleanChek

FCR-FCC-01

#### Fibre Cleaning Solvent and Wipes (Tub) - Bulk Pack

- **5 canisters** of cleaning solvent (400 pumps per can)
  - **10 tubs** of lint-free wipes (90 wipes per tub)
- Bulk refill pack of solvent and lint-free wipes used to clean fibre connectors
  - Sufficient for approximately 1000 Wet-to-Dry cleaning cycles
  - Bulk refill for customers who have the **Fibre Inspection and Cleaning** kits (*i.e., FBE-SM1-C*)
  - Use with bulkhead/patch cord cleaning tools (FCB-IBC25 and FCB-IBC12)

FCR-FCC-02

#### Fibre Cleaning Solvent and Wipes (Bag) - Bulk Pack

- **5 canisters** of cleaning solvent (400 pumps per can)
  - **20 bags** of lint-free wipes (50 wipes per bag)
- Bulk refill pack of solvent and lint-free wipes used to clean fibre connectors
  - Sufficient for approximately 1000 Wet-to-Dry cleaning cycles
  - Refill for customers who have the **Fibre Inspection and Test** kits (*i.e., FIT-S001*)
  - Use with bulkhead/patch cord cleaning tools (FCB-IBC25 and FCB-IBC12)
